Overview

Trip Introduction

Mohare Danda Panorama Trek. (3,300 m) is the hill situated in the western part of the Nepal between Annapurna and Dhaulagiri mountains of Myagdi district. The hill is 3 km away from the popular trekking destination the Poon hill. The difficulty level of the trek is moderate and best suits to family trek also you can join.

Best Season: Spring (March, April, May), autumn (Sept, Oct, Nov) The Mohare Danda Trek is also known by the name 'Eco Lodge Community Trek' and 'Myagdi Community Eco Trek". Besides other crowded regions of Annapurna region, the trek to Mohare Danda is off-beaten path whose trail passes through the laps of hills, mountains, forests, rivers and much more Annapurna Circuit Trek.

The forests on the route offer different vegetation like Oak, Bamboo, Pine, Rhododendron etc. From February to April the Rhododendron blossoms in a forest making the land colorful. So it's also called Rhododendron trekking. Rhododendron is the national flower of Nepal and from its nectar wild bee prepares a honey which gives the nostalgic effect. A drive to the trekking point passes along Seti and Kaligandaki River. Not only the natural beauty during the trek but culturally rich Magar and Gurung communities and the rural lifestyle is also the cynosure of the trek.

Those communities offer domestic staying and preserve the sustainable eco-tourism. Myagdi being the birthplace of IT pioneer and popular figure Mahabir Pun the region is facilitated with electronic communique. This enables trekkers to keep connect themselves with their dear ones visit Ghorepani Poon Hill Trek.
