Overview

Trip Introduction

Mount South Annapurna (7219 m). is Western part of the Kaski District Nepal lies in Pokhara it is take 4 days from Pokhara to Annapurna Base Camp. Annapurna south is the highest mountain in Nepal. Climbing Annapurna south expedition (7219 m) is popular Expedition in Annapurna region. Annapurna south offers beautiful Himalayan views, of the beaten trail, Ex-posit green forest of Rhododendron, lush valleys, beautiful landscape, traditional village. Annapurna Expedition

We offering two different way for Annapurna south expedition from Annapurna base camp side and east to north route. Mega Mount trekking and Expedition arrange the Annapurna south climbing according to Adventure seekers/ mountaineers wish and desire. Annapurna south expedition required good physical fitness and climbing experience in Himalayas. Annapurna south expedition commence Nayapul/Phedi after driving one and half hour from Pokhara. We set up the Base Camp there for climbing to Mt. Annapurna South. After concluding the expedition the trek backs to Pokhara leads us via Ghorepani and Poon hill where you can envisage one of the most famous panoramic views of mount Annapurna and Dhaulagiri rage. Similarly there were many such expeditions and some of them were rewarded and also received significant publicity. Poon Hill Trek

Area is beautiful people Magar and Gurung villages through where the trekking route of Annapurna South face of Expedition goes. As the team move higher altitude through the rhododendron woodlands, the views of Annapurna and mount Machhapuchhre are amazing sceneries and towards the Modi River, the greenery valley's nice views are there on the way. On reaching Ghandruk, Tadapani & Kopra pasture, our campsite remains right below the Mt. Annapurna south face. Trails go tranquilly, with a spectacular highland experiences. We set up the Base Camp there for climbing to Mt. Here lies the youngest Mountain in the world called "Annapurna 1st.
